New students should mail this form with a \$35 registration fee to the above address. Registration is first come first serve. You will receive a confirmation email with a class schedule once your registration has been accepted. We are very fortunate that our return rate was almost 100%, so therefore class space is limited. If there is not a spot available for your child you will be notified, refunded and put on a waiting list. Otherwise registration fees are non-refundable.

2019-2020 Registration form

Student's Name: _____ Age: _____ Grade 2019-2020 _____
